Dear Manager,

I am writing in regards for your help, and consideration in helping me get into "Negro Big League Baseball". I have been playing independent sand lot and semi-pro. ball for seven years and now I am sure I am ready for "Negro Big League" baseball. I am now 21 years old and out of the Army. In Baseball I play first-base and Catch Last year in the Ohio Valley League loop I hit 400 in 37 games and hit 26 home runs. I am six feet two inches tall and weight 195 pounds. I can get recommendations from managers. George Westfall of Wheeling Giants of Wheeling W.Va. Bill Brown of Continental Grays of Wheeling W.Va. and many others, and I would like to try-out and show you my ability and usefulness in baseball. Please sir let me know if you will give me some consideration or if you will recommend me to other clubs. Who need good negro ballplayers.

Yours Very Truly
Jeff. Quinn
